**PROTECTED SHIPPING**

### Features of AccPack Packaging:

- Holds two to nine compartments of powder coated or stainless steel overhead braced partitions
- Internal dividers separate all panels, doors and pilasters, preventing the pieces from bumping into each other during shipment
- 35% smaller shipping footprint — vertical design reduces the likelihood the carrier will stack other shipments on top
- Hardware box containing drawings and instructions is located in an easy-to-find, standard location
- Tip (N) Tell Monitor indicates whether the container was mishandled or tipped
- New design allows for faster and easier receiving inspection
- All securely palletized and shrink-wrapped when it leaves *Accurate*
